## THE HUNGER FIGHTER JAR

This Every Meal Hunger Fighter Jar can be placed in a high traffic area at work, shared office space or at a church building. As people pass by, they can add money, change, or checks made out to Every Meal.

You can challenge participants toward **individual goals** or you can have **competitions** between departments, small groups, or families.

## FEED A CHILD FOR A YEAR

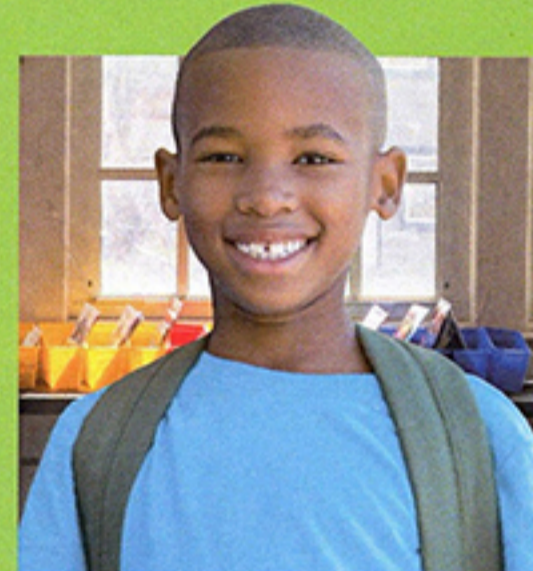

The cost to provide Every Meal's delicious, nutritious and relevant weekend meals for one child is **\$250 per year**. Many Partner Organizations challenge members to support a child. You can set a goal for your group and challenge your members to meet it.

## FUNDRAISING IDEAS

## OUR STORY

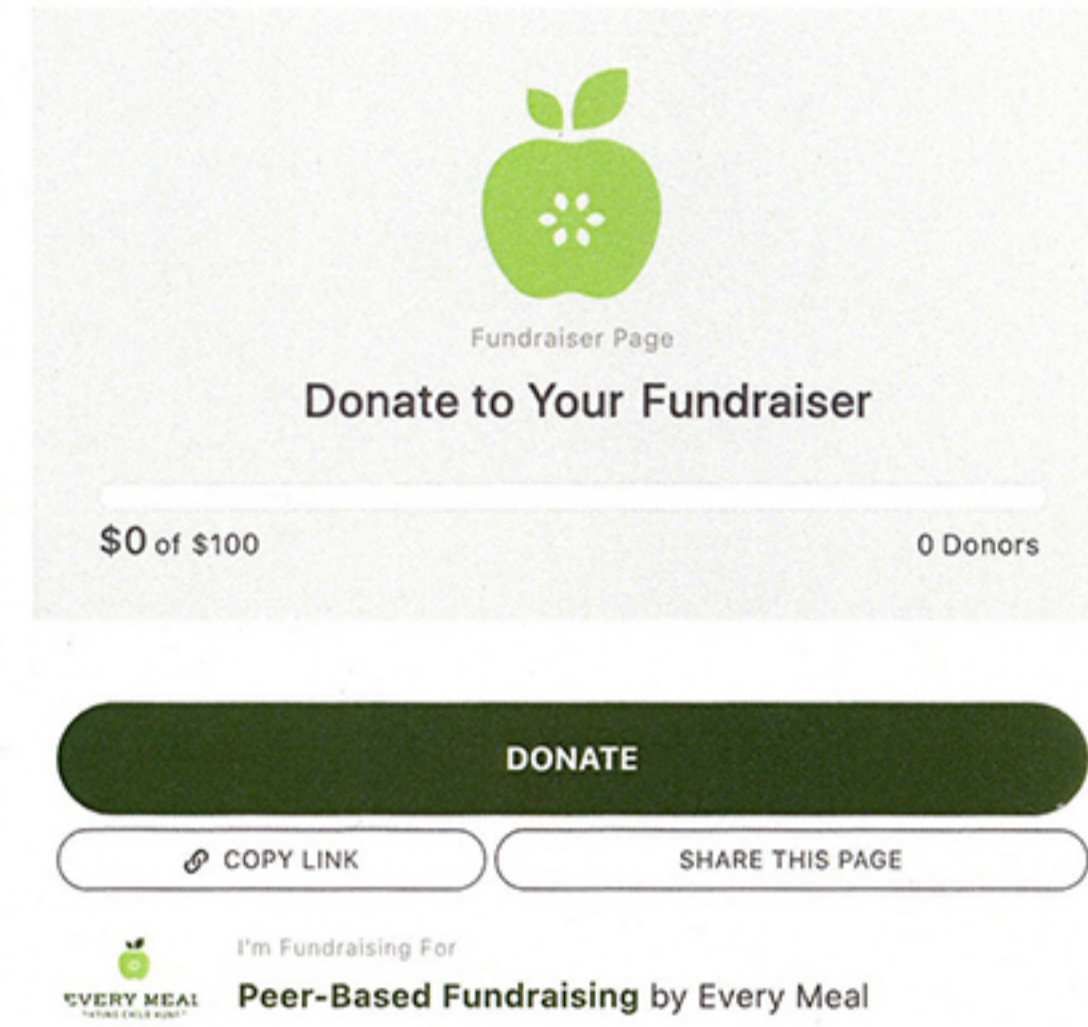

Every Meal is a 501(c)(3) nonprofit organization with a mission to fight child hunger through community and school partnerships. We strive to make a difference in children's lives by focusing on food gaps — the times when children aren't at school to access meal programs. Every Meal supports families with programming over the weekends, summers, and extended school breaks.

## WHY FUNDRAISE FOR EVERY MEAL?

When children are nourished, their potential for success is limitless. Using your network, rally your community to support children through nutritious, delicious and relevant meals.

## CUSTOM LINK

This is our most popular fundraising idea. You can create a **custom link** through our online giving platform. All donations made through this link are credited towards our Partner Organization's pledge.

You can customize your campaign to fit the needs and values of your group, setting your own fundraising goals and timeline, and uploading your organization's logo.

## FILL A BAG

This creative idea came from one of our Partner Organizations — St. Timothy Lutheran Church of St. Paul.

To help reach their pledge goal, they asked Every Meal for 61 of our empty meal bags. They challenged their members to take a bag as they left the Sunday Service and bring it back the next Sunday filled with non-perishable food. Plus a \$100 check along with it.

## DIGITAL FOOD DRIVE

Many Partner Organizations have had great success with an **Every Meal Digital Food Drive**. Members get to have the experience of “shopping” for food items as they would for an in person food drive, but it serves as a financial donation instead of a retail purchase. Every Meal can then take that money and stretch it to purchase food for kids in bulk.
